## Fight Like a Girl

October 28, 2022

Our FIGHT LIKE A GIRL service held in Houston, Texas with Lady Gail Johnson was amazing! The power of God was present to heal and deliver. Over 25 women received the Baptism of the Holy Spirit. Countless women fell under the power of God. My life was blessed!

# Pakistan Village Report

- **93** souls were saved!
- A woman was having issues with her liver. We prayed for healing, and the next day she went to the doctor. All the reports were clear!
- One lady had been tormented by an evil spirit for the last 7 years. We prayed, and God delivered her! Then, she shared her testimony with others.
- A man was unable to move one side of his body. After we spoke God's healing power, he was able to move his arm, and he shared his testimony with the people.
- There were **74** testimonies of God's healing power of pains that were healed!

## Praise Reports

We held a Miracles, Signs and Wonders Service, a one-night healing meeting in Clarksville, VA in October. God poured out His Spirit and many were healed by the power of God. Many that were in pain, walked away free from suffering!

My arm had been hurting for 2 months. While at the Healing Meeting at The GO Church, you were praying for someone else when I said, "Lord I receive that anointing." I received my healing, and my arm is healed! PJ

# Guatemala Mission Trip

We arrived in Guatemala on Saturday, October 29, and we hit the ground ready for ministry. Here are a few incredible highlights:

- Day 1: We ministered in a Methodist Church. While ministering in the altar, the pastor's wife fell out in the Spirit, then a 10-year-old girl followed. The power of the Lord was so strong that two people (that we know of) received the Baptism of the Holy Ghost while in the altar.
- Day 2: We stuccoed a local church and ministered to the people there. This ministry was followed by an appreciation luncheon.
- Day 3: We observed a Day of the Dead festival which is celebrated yearly. This holiday is dedicated to honoring those who have gone on before us.

Apostle Sharon, Pastor Kenneth, Melanie Lewis, Jenny Hicks, Trisha White and Jenna Hicks

- Day 4: We held a one-day VBS with 150 children present! Then, we gave out free shoes to the children. The excitement on their faces was priceless.
- Day 5: We built a house for a family of four. Joy filled the room as we handed them the key and they entered in. Bonista, their 9-year-old daughter, jumped into my arms as she saw the blessing of the Lord. That evening we held a women's meeting with approximately 100 women present. Lots of ministry. Lots of tears. Lots of joy. Our week was filled with the glory of the Lord.
